1- I just returned from the greatest summer vacation! It was so fantastic, I never wanted it to end. I spent eight days in Paris, France. My best friends, Henry and Steve, went with me. We had a beautiful hotel room in the Latin Quarter, and it wasn't even expensive. We had a balcony with a wonderful view.

2- I just returned from the greatest summer vacation! We visited many famous tourist places. My favorite was the Louvre, a well-known museum. I was always interested in art, so that was a special treat for me. The museum is so huge, you could spend weeks there. Henry got tired walking around the museum and said "Enough! I need to take a break and rest."

3- **Friday** is the fifth day of the week, and marks the end of the workweek and school-week for the vast majority of employees and students. By Friday afternoon/evening, most students/workers cannot wait to leave and go home, as they won't have to report back to school/work until Monday.
